This Agreement shall be construed and enforced in accordance with the laws of the

Commonwealth of Massachusetts, without regard to the conflicts of law rules of such state.

9. Severability.

Customer agrees that each provision contained in this Agreement shall be treated as a separate and independent clause, and the unenforceability of any one clause shall in no way impair the enforceability of any of the other clauses herein. Moreover, if one or more of the provisions or parts thereof contained in this Agreement shall for any reason be held to be excessively broad as to scope, activity or subject so as to be unenforceable at all, such provision or parts or provisions shall be construed by the appropriate judicial body by limiting and reducing it or them, so as to be enforceable to the extent compatible with the then applicable law.

10. Waiver.

A waiver of any claim, demand or right based on the breach of any provision of this Agreement shall not be construed as a waiver of any other claim, demand or right based on a subsequent breach of the same or any other provision.

11. Notice.

Any notice required or permitted to be given under this Agreement shall be sufficient only if in writing and if sent by United States mail, certified, return receipt requested, postage prepaid, to the Parties at the addresses set forth in the first paragraph of this Agreement.
